

Jetty_project 
ART AND SUSTAINABILITY

Symposium 6th March 2014
BALTIC, Centre for Contemporary Art

Jetty_project 
ART AND SUSTAINABILITY

Wolfgang Weileder

Professor of Contemporary Sculpture

Newcastle University

Jetty_project 
ART AND SUSTAINABILITY

AHRC funded collaboration between Newcastle and Manchester Universities in partnership with Tyne and Wear Building Preservation Trust.

Jetty_project

ART AND SUSTAINABILITY

*How can a practice-led fine art research project
meaningfully contribute to the multilayered debate around
sustainability in the urban realm?*

Jetty_project

ART AND SUSTAINABILITY

Aims of the Symposium:

To open up a dialogue with you - all participants and experts - about our understanding of sustainability, and what role artistic practice can play in that context.
